Nick Bawden

Oh my, what an incredible journey this has been these last 17 years.

From baby who love to sit on laps and giggle – to the boy who ran around without a nap always asking for “one more” play date – to the young man who took the scary step to leave home to start college early with a purpose. It has been a privilege and a thrill to be along for the ride. We are so proud of your so many accomplishments and especially who you are as a person. We can't wait to see what is next in your life.

We will be here for you – always. We love you to pieces.

Mom, Dad, Taylor and the indomitable Grampa Ray who we know is smiling saying, “Way to go, Bo.”
