Johnny Breidenthal

To my Johnny boy! I have been in love with you for 17 years, since the day I held you in my arms. You are my baby and always will be. We have come a long way together and conquered many challenges. The quality I adore most about you is your compassion. You have the kindest soul and are always considerate of other people. I love the man you are developing into. I have enjoyed watching you play baseball for many years and I look forward to watching you play for many more. I love you sweetheart. Enjoy life and be happy!!

Love Mom
