

*Congratulations Kathryn & Juliana!*

Christmas Eve 18 years ago we brought home two special little girls. Little did we know how much you would shine together and a part. You have kept us busy embracing your individual personalities. You have taught us how to use SnapChat, do the Whip and watch crazy Vines. We are so proud of the young ladies you have become: loving, funny, caring and giving. Known to many as Juliana, Jules, #2, Juju, Bird, BirdWoman and Kathryn, Kat, #1, Peanut, Pean and PeanWoman, we will miss your energy, laughter and crazy antics. We are excited to witness your next journey unfold as you attend University of Oregon and University Colorado-Boulder. Kathryn, Nelson will miss you as his video game partner and Caroline will miss access to your closet, Juliana! Stay true, girls! We love you! Mom, Dad, Caroline and Nelson.

**SOPHIE DOMENGEAUX**

Congratulations to our Soph! You have grown into an amazing young woman, and we are so proud. Soon you'll fly off to Oregon to join the other Ducks at U of O's Clark Honors College: a huge achievement! While you may wish for that day to come soon rather than later; we will cherish every moment you're under our roof as a Los Gatos Wildcat. We love you so very much!

Love,  
Dad, Natalie, Moose, Bagel,  
and Cricket
